Instructions

For Color Guide and pattern, see pattern pull-out.

1. Transfer design onto center of punch needle fabric.
2. Using three strands of floss and following Color Guide, punch design fully. Trim excess threads from front and back sides.
3. Carefully cut out finished punch needle, leaving a 1/16" border of fabric around design area.
4. Adhere punch needle onto the center front side of Stick'rzfelt; let dry.
5. Remove backing from the Stick'rzfelt. Press ends of Memory Thread pieces onto adhesive 3/4" from each side.
6. Press red craft felt onto center of black adhesive-backed felt and press together to adhere.
7. Tie Memory Thread into a bow for hanger. (A small amount of glue is helpful to hold bow in place.) ❄
